WHAT PEOPLE ARE SAYING ABOUT THE SHERIDAN TAPES

“Speaking as a fan of literary horror: it works extremely well. The audible atmosphere Van Winkle creates in each episode is effective, eerie, and draws the listener deeply into the world of the show.” – *The Sheet Newspaper Review*, August 15, 2020

“One of the best mystery/horror podcasts. The writing is solid and it plays with horror tropes in innovative and creative ways. The production is solid. I highly recommend it if you enjoy slow build/unnerving horror.” – *Seb, Apple Podcasts Review*

“The tale is original and creative and if you're looking for something creepy, a supernatural tale of with a firm foot in gritty reality or podcasts like Duggan Hill or Borrasca then give the Sheridan tapes a go.” – *Alex-cf, Apple Podcasts Review*

“I'm obsessed and I can't wait for more. I've already turned like 5 people onto it since discovering it last month. Creepy-but-not-terrifying-creepy? Supernatural twists? Journalist/investigating? Queer representation? Equal gender rep? ” – *Amber, Podchaser Review*
